Roseville College is an established, respected independent day school for girls in Kindergarten to Year 12, centrally located in Roseville on Sydney's North Shore since 1908. Ours is a learning community where girls and staff are truly known, and where every individual is valued. Our vision, to raise future-ready women who lead proficiently with strong character, is underpinned by the Christian faith.

The Roseville College staff comprises visionaries, innovators, pioneers and co-learners, who appreciate this as a meaningful, inspiring and progressive workplace where they are enriched, equipped and empowered for a fulfilling career and to make a positive impact on student generations.

The Roseville College Science Department is a collegial team committed to innovation and excellence in teaching and learning. Our students are curious and engaged scientists, and this is demonstrated through the strong engagement in our Stage 5 elective Cambridge Physical Science course, our broad offerings of Stage 6 courses, as well as numerous co-curricular STEAM opportunities.

The successful applicant will be an exceptional educator and communicator. They will have deep understanding of contemporary pedagogy within a vision to promote authentic, rigorous and personalised learning.
